Document Type: Human Resources Policy | Classification: Public Training Dataset

1. Introduction

1.1 Purpose

This handbook provides general guidance for employees of NexaCore Technologies on workplace expectations, employment practices, working arrangements, leave, benefits, conduct, performance, and separation. It should be read together with the detailed policies maintained by Human Resources.

1.2 Scope

The handbook applies to regular full-time and part-time employees unless a specific policy or employment agreement states otherwise. Contractors, interns, and temporary workers may be subject to separate terms.

1.3 Policy precedence

Where a detailed policy contains a requirement that differs from a general statement in this handbook, the applicable detailed policy takes precedence for that subject.

2. Employment Categories

2.1 Full-time employees

Full-time employees normally work the standard company schedule and are eligible for benefits subject to the applicable benefits plan and eligibility requirements.

2.2 Part-time employees

Part-time employees work fewer than the standard full-time schedule. Benefits and leave eligibility may be prorated or limited according to the relevant policy.

2.3 Interns and trainees

Interns and trainees follow assigned working schedules and conduct requirements. Their program terms determine eligibility for benefits and leave.

3. Working Hours and Attendance

3.1 Standard schedule

The standard office schedule is Monday through Friday, 9:30 a.m. to 6:30 p.m., including a one-hour meal break. Certain teams may use approved alternative schedules.

3.2 Attendance

Employees are expected to record attendance accurately and notify their manager promptly when they will be late or absent. Repeated unapproved absence may result in corrective action.

4. Leave Overview

4.1 Annual leave

Eligible full-time employees receive 18 days of annual leave per calendar year, subject to the Leave Policy and approval process.

4.2 Sick leave

Eligible employees may take sick leave for illness or medical appointments according to the Leave Policy. Supporting documentation may be requested where permitted by policy.

4.3 Holidays

Company holidays are published annually by Human Resources. Employees working on designated holidays may receive applicable compensation or time off under the relevant policy.

5. Remote Work

5.1 General rule

Remote work is a managed work arrangement and is not an automatic employee entitlement. Eligibility depends on role, team requirements, performance, and manager approval.

5.2 Security

Employees working remotely must protect company information, use approved systems, and avoid accessing confidential material through unsecured public devices or networks.
