1.1 Purpose

This policy defines the leave categories, eligibility, approval process, carry-forward rules, and documentation expectations for NexaCore employees.

1.2 Scope

The policy applies to eligible employees unless an employment agreement or applicable law provides a different entitlement.

2. Annual Leave

2.1 Entitlement

Eligible full-time employees receive 18 days of annual leave per calendar year. Part-time entitlement may be prorated according to working arrangements.

2.2 Accrual

Annual leave is credited through the company's leave administration process. Employees should review their available balance before submitting requests.

2.3 Approval

Employees should normally submit planned annual leave at least five working days in advance. Approval depends on team coverage and business requirements.

3. Sick Leave

3.1 Use

Sick leave may be used for personal illness, medical appointments, or recovery. Employees should notify their manager as soon as reasonably possible.

3.2 Documentation

Human Resources or a manager may request supporting documentation where permitted by company rules and applicable law.

4. Casual Leave

4.1 Entitlement

Eligible employees receive 6 days of casual leave per calendar year for short-term personal needs.

4.2 Restrictions

Casual leave is subject to approval and should not be used to bypass planned annual-leave procedures.

5. Carry Forward and Expiry

5.1 Carry forward

Up to 5 unused annual-leave days may be carried into the following calendar year. Carried days must be used by March 31 unless an approved exception applies.

5.2 Non-transferability

Leave balances are personal to the employee and cannot be transferred to another employee.

6. Leave Application Process

6.1 Request

Employees submit leave through the approved HR system and provide dates, leave category, and required supporting information.

6.2 Manager decision

Managers consider staffing, deadlines, and policy eligibility before approving or declining a request.

7. Extended and Special Leave

7.1 Special circumstances

Additional leave categories may be available under separate company policies or applicable law. Human Resources should be consulted when a circumstance is not covered here.
